The electric railway company has asked for a franchise to build its line into the city of Galena and the council of that city will decide the matter at its next regular meeting. A petition signed by forty-eight of the business firms of Galena has been presented to the council asking that the franchise be not granted. It seems that those forty-eight firms represent the opposition in Galena. The people of that place want the road, but a few of the business men don't. Which should be recognized in this matter? Certainly the people.

If you want Tinware that lasts almost forever and Granite Iron ware at prices so low that it opens your eyes just call in and take a look at my stock. J. J. FRIBLEY.

Weir City Journal: A. H. Skidmore, candidate for judge of the Eleventh judicial district, is the most popular man among the wage earners out for that office. He is a man who has not been an office seeker, but has come into prominence because of his great ability as a lawyer. In this he is strikingly unlike his opponent. He is loved by the common people of his county and district because he always takes a sincere, friendly interest in the welfare of his fellow men. He will surely be elected to the bench of this district by a very pronounced majority.

Most people cannot afford to experiment. They want immediate relief. That's why they use One Minute Cough Cure. McFadden & Price.

Last Thursday evening the D. S. D. Club was pleasantly entertained by Mrs. Chas. F. Noble at her home on River street. The house was beautifully decorated in white and yellow, the club's colors. The program of the evening was something new, for the club members found two comforts in the frames ready to be tucked and with the usual energy of the D. S. D's, they had them out of the frames before refreshments were served at 10 o'clock. They sat down to the long tables, which were also decorated in white and yellow, and did ample justice to the good old-fashioned viands set before them. After supper Uncle Scott tuned up his violin while the girls cleared the rooms, tied handkerchiefs on their arms, hunted up their partners and danced the Virginia reel and a few other old dances. At 11:30 o'clock all took leave of their hostess telling her what a delightful time they had. Those present were Mesdames A. C. Blake, W. E. Price, C. J. Fribley, A. A. Warner, W. W. Smith, A. L. Harvey, W. J. Naylor and Misses Ora Neff and Jessie Cooper. Vote for Skidmore.

We might tell you more about One Minute Cough Cure, but you probably know that it cures a cough. Every one does who has used it. It is a perfect remedy for coughs, colds, hoarseness. It is an especial favorite for children, being pleasant to take and quick in acting. McFadden & Price.

OTERMAYER AT GALENA. On Tuesday night Hon. David Overmeyer, Democratic candidate for governor of Kansas, addressed a large audience at Galena.

He was met at the depot by the Galena Firemen's Band and a large delegation of citizens on foot and in carriages and escorted up town where a parade was made on the principal streets of the city. At 7:00 o'clock he was escorted to the Sapp opera house which was already packed to overflowing. Gabriel Schumuck of this city, in a neat speech, introduced Mr. Overmeyer to the audience and he was greeted with deafening applause when he appeared upon the stage. He spoke for two hours and twenty minutes and held his audience to the end. His arraignment of the prohibitory law and the female suffrage question was simply immense and found a welcome in the minds of all right thinking people who heard it. The balance of his speech from a Democratic standpoint was good. Fully 300 people were unable to gain admission to the house. Mr. Overmeyer abused no one and his remarks were generously applauded.

Take a dose of DeWitt's Little Early Riser for the good they will do you. These little pills are good for indigestion, good for headache, good for liver complaint, good for constipation. They are good. McFadden & Price.

Next Tuesday is election day. A full state ticket is to be elected, from governor down to road overseer. It is important that the men selected by the voters to fill the various offices should be men of honesty.

Early in April last the NEWS announced that Hon. A. H. Skidmore would be a candidate for judge of the eleventh judicial district, subject to the decision of the Republican convention. The NEWS is proud of the fact that it made this announcement first, and it is doubly proud of the fact that through its efforts, in part, Mr. Skidmore received the nomination. Much has been said about the NEWS fingering in politics this fall, but here is the whole thing in a nutshell. The NEWS is an independent paper in the fullest sense of the word. It has a right to support any man for office, and it also has a right to oppose any man seeking office if it believes he is not the right man for that office. The NEWS supports Andy Skidmore for judge because he is a clean, honest, upright and capable man. He has lived in this county sixteen years and during that time he has made a reputation for himself that the best men in the land might envy. He has proven himself to be a man. It has often been said that if a man wants to find out how mean he is he should run for office. Andy Skidmore's candidacy was announced in April and up to this hour no man has had a word to say against him. This in itself is significant and enough to prove that he is the man for judge of the eleventh judicial district. Vote for him, work for him and you will be very nearly as proud as the NEWS when the count of the ballots shall show that he has been triumphantly elected.

The Populists and Democrats have no candidate in the race and this is a concession that Skidmore is satisfactory to them. He is the best man for the office and they know it.

See that your gross is made in the square to the left of his name as it is at the head of this article.

Hurrah for Skidmore! He is a sure winner.

Vote for Skidmore.

A CARD.

We would express our deep gratitude to our many friends for their names for family tickets, which has assured the marvelous success of the lecture course in Baxter.

A word of explanation in regard to the question, "Why Have Reserved Seats?" Our course will cost \$40 more than we expected. Prof. Dinsmore was to have cost Baxter but \$25, but will cost \$37.50, besides printing and other expenses. The same is true of two others. This is through a mistake of Prof. Hanna of the Labette County High School. After consultation we decided to charge ten cents for reserved seats.

Let everybody be present Friday night, Nov. 9, at the M. E. church to hear T. H. Dinsmore of Emporia, as he is considered the most brilliant lecturer in Kansas. This same lecture out of the state costs \$100 and tickets from 50 cents to 75 cents each. Here, if you have no family ticket, it costs you but 25 cents.

Respectfully, E. O. NOBLE. You ought to know this: DeWitt's Witch Hazel Salve will heal a burn and stop the pain instantly. It will cure badly chapped hands, ugly wounds, sores, and is a well known cure for piles. McFadden & Price.

Vote for Skidmore.

REPUBLICAN RALLY.

The Republicans are making big preparations for an old-time "round up" in Daniels' hall Monday evening. W. R. Cowley, Dick Stott and local talent will talk to the people on the issues or rather the isms of the day. The famous Columbus glee club will be on hand with a lot of new campaign songs and Oscar McDowell is down on the bills for "Old Shady." This will undoubtedly be the most enjoyable meeting the Republicans have held in Baxter since the Populists have had control of the state. All are invited regardless of politics, sex or color.

The name One Minute Cough Cure suggests a medicine that relieves at once and quickly cures. Its use proves it. McFadden & Price.

Vote for Skidmore.

JOINT DISCUSSION.

Judge J. P. Perkins and C. W. Daniels will discuss the prohibition question at Daniels' hall in this city on Saturday evening, Nov. 3. All are invited.
